FAQ

Q) What if I forget my user name or password?

A) Your username will always be your email address. If you forget the email you used to sign-up, you will have to contact IVHA to confirm the email registered on your account. If you forget your password, click the *Forgot your password?* link on the sign-in page and follow the steps. You will be emailed instructions.

Q) Why do I need an email address?

A) You must have an email address in order to register. This is so that you receive notification when your statement is ready and provide a unique identifier to your account.

Q) How do I get an email address if I don't have one already?

A) You can get an email account – for free – from any number of providers such as Gmail from Google. It only takes a few minutes to sign-up; you can access your email account from any computer that has an Internet connection.

Q) I can't register!

A) You must be registered for direct deposit to view statements online. If you already receive direct deposit and are still unable to register, make sure you are using a valid Landlord Code and Tenant Code for your account.

If you are still unable to register, please contact Catalina Martinez at 760-351-7000, ext. 137 for assistance.

Q) Is there an alternate way for me to get my statements?

A) No. As of September 30, 2014 we will no longer print or mail statements. As of that date, you will have to access your statements **ONLY** by logging into our website.
